SCHOOL FINANCE MEMORANDUM 00-025

TO: q
FROM: Kristen Jordison
DATE: December 14, 1999

SUBJECT: December 15, 1999 Basic calculations for Equalization Assistance Report (APOR 55-1) and Equalization Assistance and Additional State Aid Detail Report (APOR 64)

The December 15, 1999 apportionment reports for your school district are posted on your district's home page on the ADE web site (<http://www.ade.state.az.us/schoolfinance/Districts>). Hard copies of these reports will no longer be mailed. If you need help finding these reports please let me know and I would be happy to assist you.

The Apor 55 report reflects data used to calculate the FY 1999-2000 Revenue Control Limit, Capital Outlay Revenue Limit, Soft Capital Allocation, and Equalization Assistance. The December Apor 55 report has been updated with the final SRP assessed valuation for each applicable school district. In addition, the December Apor 64 report has been updated with the final Secured Additional State Aid values. Please review these reports to verify that the information correctly reflects data for your district.

Information and forms for 40th day Growth are enclosed. The data collection staff are now processing the 40th day ADM data that has been received and transaction reports (i.e., ADMS 05-1 reports) are now available on the web site (<http://www.ade.state.az.us/schoolfinance/Districts>). The 40th day ADM summary counts that are used in the calculation of growth (ADMS 46-1 reports) will soon be available on the same web site.

District Sponsored Charter Schools

The December 15, 1999 payment was based on 40th day Average Daily Membership (ADM) data, if applicable, estimated Special Education values, and estimated Transportation data for district sponsored charter schools.

Remember the 100th day charter school ADM and transportation reports must be received by School Finance no later than 12 days after the 100th day in session in order to be eligible for payment. Any data received after the deadline may not be reflected in the payment calculation. Failure to submit will not only impact the specific charter school but also the sponsoring district and potentially all other charter schools. If you have any questions regarding ADM or transportation please contact Rose Whelihan at (602) 542-8240 or e-mail her at rwhelih@mail1.ade.state.az.us.

If you have any questions or concerns please do not hesitate to call me at (602) 542-8249 or e-mail me at kjordis@mail1.ade.state.az.us.
